

A photograph of two Black women hugging warmly on a rooftop. The woman on the left is wearing glasses and a patterned top, while the woman on the right is wearing a red top and a headwrap. They are both smiling broadly. In the background, a city skyline is visible under a bright, hazy sky with the sun low on the horizon, creating a lens flare effect. A blue metal railing is partially visible on the right.

**Getting vaccinated means
hugging the people I love.**

**Better
Tomorrow**

A Better Tomorrow starts with
getting answers I can trust.

Better Tomorrow is your source for trusted, culturally competent information about vaccines and vaccine locations. We are on a mission to create a better tomorrow with better access to resources that address questions and improve confidence.

Frequently Asked Questions

WHAT ARE COMMON SIDE EFFECTS OF THE COVID-19 VACCINES?

While some people may not experience any side effects, side effects can occur within a few hours after receiving the initial COVID-19 vaccine and have been reported as more intense with the second dose.

DO I NEED HEALTH INSURANCE TO RECEIVE A COVID-19 VACCINE?

No, the COVID-19 vaccines are free for everyone living in the U.S., regardless of health insurance status.
